Secret Betting Club

The good, the bad and the ugly of the tipster world...revealed!!!

WELCOME

Hello and welcome to our special evidence collection. We've listed the results from just one of our bookmaker accounts to show you that it is indeed possible to make money betting. Firstly you will find a print out of an excel spreadsheet that shows the culminative profit in that account. Secondly you will find a screen grab of our ladbrokes account provided as proof that the excel sheet is accurate. The balance is the amount after our withdrawals, the spreadsheet shows the total profit and loss without withdrawals or deposits so the total profit from bets alone are included.

You'll note we don't win all the time and in this account we started with relatively small stakes. We achieved a total profit of nearly £12,000 in just over a year simply by following the tipsters we recommend in our newsletters

and some of our own systems.

Other bookmaker accounts show profits, but Ladbrokes is the only one that allows us to show the total account history on one page.

The full Secret Betting Club service is a monthly e-newsletter with updates on our findings, new services and access to our highly active discussion forum.

About us:

We are professional gamblers who put our own money on the line in our quest to make regular profits from sports and financial markets.

We started the club because we realised it was something that could have saved us a lot of time and money as we sorted out the wheat from the chaff ourselves.

By joining the club you'll automatically have an edge over thousands of punters still scratching around for consistent profits.

We do not offer tips or any advice whatsoever via Secret Betting Club. Our service primarily is to uncover and recommend who actually makes a profit.

What our service can do for YOU!:

We will **help you make money** by revealing the services that consistently make money. We reveal the services we use regularly after extensive testing and evaluation in our **Hall of Fame**.

We will also **save you money** by revealing the services we would not touch with a barge pole.

Free stuff - It's not only information on paid-for services that we have uncovered. There are also tons and tons of stuff out there, which are all free. Now these generally are kept pretty hush-hush (why tell someone else they will only impact on your profits). However we won't make any friends doing this but we also list regularly updated software and services that are free (Indeed some are as good if not better)

Software - Computers were invented to make our life easier - so where possible we like to use them. We'll reveal the software we use to make our

betting even more profitable.

Money management - A famous financial trader was once asked what his 3 top rules were for making money - he said "money management, money management and money management". We'll give you the tips and techniques you need to make a living from the services we recommend.

Hall of fame - Our Hall of fame is made up of services and methods we have been using day in day out for years. These are our bread and butter profit makers that we put the majority of our bank on. It is these Hall of fame services that we advise all members should follow to make the £100 a day we guarantee you can make. Each Hall of fame entry has been fully vetted and approved to generate profits and we heartily recommend you take a good look at each one with a view to joining.

Recommended services - Our recommended services section contains those that we have taken a good look at but for one reason or another have decided not to include in our Hall of fame. Every month we continue to track those recommended services, to give you updates on performance, new aspects of the service and anything else that draws our attention.

Guinea pigs - Heard of a new service you're not sure about? Let us know, we try it out with our own money so you don't have to. Perhaps you would like to recommend a service that you yourself follow and feel that the S.B.C would do well to cover.

Bad Experience Of A Service? - Unfortunately in the world of tipsters this is an all-to-common problem. However if you would like us to do some research and even an expose on any particular service then do contact us. We are not afraid to write the truth and by doing so hope we can save our members their hard earned cash. The worst gain inclusion into our Hall of shame and we pull no punches!

Guest Columnists - We regularly feature guest columnists from the world of betting with high-profile authors such as Peter Webb from Bet Angel software. Peter is a much in-demand personal speaker and respected betting industry figure but he took the time out to write a number of in-depth articles especially for our members.

Other recent articles have included details from a SBC member who is now making £50,000 a year from betting income with only 2 years prior betting experience...showing how anyone can do the same.

The good, the bad and the ugly of the tipster world...revealed!!!

Winning Mind Set - Each month we'll cover the psychology of winning consistently. We'll provide hints, tips and insights to help you become a professional gambler. If there's a topic you'd like us to cover in particular let us know.
